Dear Sir:

This communication is in response to the Office Action mailed September 29, 2005, setting forth a Restriction Requirement in the above-identified application. In the Office Action, the Examiner required restriction to one of the following inventions under 35 U.S.C. §121:

I. Claims 1-31, drawn to a method and apparatus for determining the location of a tumor.

II. Claims 32-41, drawn to a method for determining the efficacy of a medical treatment.

In response, Applicants hereby elect the invention of Group II, corresponding to claims 32-41. Applicants reserve the

right to file a divisional application corresponding to the non-elected claims.

The Examiner is thanked for the courtesy of a telephone interview on October 28, 2005 during which it was clarified that consistent with election of the claims of Group II, an election of species would not be required. Therefore, the instant response will be considered complete.

In the event any fee is due in connection with the present response, the Examiner is authorized to charge Applicant's Deposit Account No. 12-1095 therefor.

Dated: October 28, 2005

Respectfully submitted,
